I worked with the Canadian Diving Retailers Association during that time, and actively pursued my scuba hobby with dives all over Ontario and throughout the Caribbean. After leaving my position with Water Adventures, I joined Mary Kay Cosmetics and within my 1st year qualified as a Senior Consultant. I have since qualified as a Mary Kay Director and earned my first free car! I love my new career, and with my more flexible hours I am now able to spend more time at my summer cottage in the Thousand Islands. I am currently getting settled in my new East Toronto condominium. I am still single and enjoy working and living in cosmopolitan Toronto- but I never miss a chance to come back to Florida and stay at my parents Clearwater Beach winter home where I grew up! So, what have you been doing?
